

## 2010 NMGS Fall Field Conference Call for Papers

The 2010 NMGS Fall Field Conference will travel through the Four Corners area in northwestern New Mexico. Day 1 will circle the Four Corners Monument with stops in southeastern Utah, northeastern New Mexico and southwestern Colorado. Day 2 will begin in Cortez, CO and end in Farmington and Day 3 will begin in Farmington and end on the Ojo Alamo Sandstone south of Carson. Highlights of this conference will include discussions of Mesozoic stratigraphy, energy and resources from the San Juan Basin and southwestern Colorado and the use of geochronologic methods for refining our understanding of local strata and their fauna and flora.

Papers for the 2010 Guidebook will be due by **March 1<sup>st</sup>, 2009** to co-organizers Jim Fassett (USGS Emeritus) or Kate Zeigler (ZGC, Albuquerque). We hope to include manuscripts covering all aspects of geology in the Four Corners region.
