

TABLE OF CONTENTS

(papers individually paginated)

Paleozoic Rocks

Forebulge Sourcing of the Mississippian Antler Foreland Basin System: The Tripon Pass Limestone of Northwestern Utah and North-Central Nevada by Mathew Frye and K.A. Giles

Cenozoic Rocks

Geology of the Rose Canyon Area, Salt Lake County, Utah – the Exhumed Flank of the Bingham Volcanic Center by R.F. Biek

Gunnison Bay – Present Terminus of the Great Salt Lake Drainage Basin and Naturally Low Area of the Bonneville Basin by Genevieve Atwood

Transgressive Shoreline Landforms and Lithofacies Models of Pleistocene Lake Bonneville, Utah by M.A. Gregory, M.A. Chan, Donald Currey, and Ian Schofeld

Hydrogeology

Ground Water Sensitivity and Vulnerability to Pesticides, Northern and Central Wasatch Front, Utah by Michael Lowe and Janae Wallace

Energy Resources

Petroleum and Gas Occurrences and Development History in Box Elder County, Utah by J.W. Gwynn

Bonneville Seabase – Geothermal Direct Use at Grantsville Warm Springs, Tooele County, Utah by Jon Allred and R.E. Blackett

Mineral Resources

Copper-Gold and Other Polymetallic Mineralization at the Dugway Mining District, Northern Dugway Range, Eastern Great Basin, Utah by H.R. Klatt

Exploration of the Rio Tinto Gossan, North-Eastern Nevada: How Prospector S. Frank Hunt Discovered the Mountain City Copper Mine by L.P. James

History, Geology, Production, and Mineral Resources of the Vipont Mine and Ashbrook Mining District, Box Elder County, Utah by R.W. Gloyn and K.A. Krahulec

Travertine Fissure Veins of the Aragonite Mining Area, Cedar Mountains, Tooele County, Utah by J.M. Prudden

Chemical Analyses of Selected Limestone, Silica, and Dolomite Samples Collected in Northwest Utah by B.T. Tripp, M. Kirschbaum, M.D. Vanden Berg, A. Rupke, J.W. Gwynn, T. Boden, and R.E. Blackett

Miscellaneous Geology

Analysis of Recent and Historical Salt-Crust Thickness Measurements and Assessment of Their Relationship to the Salt Laydown Project, Bonneville Salt Flats, Tooele County, Utah by W.W. White, III, and M. Terrazas

Geologic Road Log

Road Log for the Utah Geological Association 2006 Field Trip – the Geology of Northwest Utah by D.E. Tabet and D.L. Clark

Plates for paper by Lowe and Wallace

Appendices for paper by Tripp and others (these files in text and MS Excel format, not .pdf)

Appendices for paper by White and Terrazas
