

SPE/UGA/SME Annual Ralph Goodell Memorial 2026 SCHOLARSHIP GOLF TOURNAMENT

Thursday, September 10th - 8:00 am

Stonebridge Golf Course West Valley City, Utah

It's time for another great round of golf at Stonebridge GC, with all proceeds going to the scholarship funds of the Society of Mining, Metallurgy and Exploration (SME), the Utah Geological Association (UGA), and the Society of Petroleum Engineers (SPE). The format will be an 18-hole four-person scramble - fun for all players – **no matter your skill level**. If you wish to play with a co-worker, friend, or spouse, we will accommodate you, assuming the grouping will not give an unfair advantage. We are not sponsoring breakfast this year, but “early birds” may purchase coffee and breakfast items in the clubhouse. After golf, enjoy a BBQ Lunch (included) followed by announcement of the winners and prize drawings!
